On Thursday 2nd March, two teams of Year 5s and 6s went to represent the school at Hi Five Netball in Kingdown. Amazingly after a very mixed week of weather, it was a lovely, sunny afternoon and spirits were high. The teams played in two separate pools with the Blue team playing against Sutton Veny B, Minster and the Avenue B and the Red Team playing against Princecroft, Heytesbury, the Avenue A and Sutton Veny A.

As Hi-Five netball requires constant rotation of players, all the children had plenty of opportunities to play and experience all the different positions. The competition was tough and although we did not win, everyone enjoyed themselves and displayed good sportsmanship throughout. As usual, the children were a great credit to their school.
