

Mary's Meals Fundraising

Our Class Charity is Mary's Meals. Mary's Meals is a wonderful charity that raises money for children in poverty-stricken countries. They then use the money to feed children in their place of education e.g. school.

As this is our charity Amelia, Ella and I wanted to raise some money for it outside of school. Most of our money was raised by going around to the Westbury Conservative Club and talking about Mary's Meals and convincing them to give us donations! By doing this, we raised around £75. We raised another £70 by talking to our friends and family about the charity and finally we raised quite a lot of money by selling our old toys and stationery on Ebay and at a car boot sale.

Altogether, we have raised about £200. As it costs 9p a day to feed a child or £13.90 for a whole year, we have raised enough money to feed around 14 children for a year.

In our class, we have been doing other fundraising and have managed to collect nearly £500 in total as well as bringing in back-packs full of supplies for school aged children which will be shipped out to them in the summer. Our class has DEFINITELY raised a lot of money for our charity.
