

Six boys from KS2 joined a Dance Workshop with boys from other local primary schools, at Matravers School on Monday morning. The Dance Workshop, led by the PE Schools' Partnership, was great fun for everyone, helped by senior dance students from Matravers School. What a fabulous dance studio they had!

Our boys, Tim, Jakob, Mateusz, Finnigan, Solomon and George, were excellent ambassadors for the school and really enjoyed working on group dances and joining them together to make one big dance based on Space Astronauts. Great day and well done boys!
