Class of the Week

Reception

God of light, you sent the Spirit down upon your Son so that others might know who he was. Send your Spirit on us, so that we might spread your message of love and peace to others.

Amen.

Dear Parents/Carers

We are coming to the end of a busy week with lots of learning happening for our topics and with clubs starting too.

On Wednesday, Mrs Rawlings took our Year 6 Sports Ambassadors to the Civic Centre in Trowbridge for the second part of their training. They promise that they're full of ideas for games that the children can play at lunchtimes. It'll be great to see what they get up to.

The week has been rounded off with a fun topic launch taking place in Year 4 with Egyptian Day – lots of pharaohs and mummies are in school today! They've had a busy day of writing hieroglyphics, exploring Egypt as a country, eating Egyptian food and making papyrus paper.

Hope everyone has a nice weekend. Let's see if next week will be as frosty as this one!

Mr Halligan.

Dear Parents / Carers

Further to my letter to you yesterday, I would like to clarify that Mrs Saunders's absence is due to a serious ill-health in her family and nothing to do with school. In the meantime, I wish to reassure you that the school is in very capable hands and getting all the support that it needs. As always, your children remain our first priority. We extend our best wishes, thoughts and prayers to Mrs Saunders and her family.

Best wishes

Laura Billington

WANTED,

We are looking for any building bricks, planks, guttering tubes, milk crates, general pieces of wood, If you have anything hanging around that you think the children could have fun being creative with in our outside area we would really appreciate it.

Thank you.

Dear Parents,

We are introducing a program to all year groups at school after the half term holiday. It is called myHappyMind. myHappyMind is all based around helping children to understand how their brain works and to support them in developing positive skills and habits to be their very best selves!

myHappyMind is delivered in schools by class teachers through a series of interactive lessons and then the children apply these learnings throughout the day. To further embed this learning and ensure that you are able to engage in these topics with your child, myHappyMind has developed a set of resources for parents. These resources can be accessed online on your computer, or through an app on your phone. The resources allow children to continue to practise some of the habits they have developed at school, such as happy breathing, for you to learn more about what they are learning in the program. Also included are activities for you to do together at home, to complement the in-school lessons.

To access these materials just go to <https://myhappyMind.org/parent-resources> and enter your name, email, and authentication code. Your authentication code is 126481.

We really encourage you to make use of this free content so that you can support your child in getting the best out of the curriculum. If you have any questions about the curriculum, please contact your class teacher.

If you have any technical questions about accessing the resources, please contact hello@myHappyMind.org

Many thanks,

Kate Saunders
