

# prospectus

## Develop your creativity:

- ◆ Create your own soldier who has enlisted. Create his identity card.
- ◆ Design a uniform for your soldier.
- ◆ Write a diary entry as your soldier.
- ◆ Create a set of medals earned by your soldier. How did he earn them? Where was he serving?

**This half term's POWER Project is:  
'The Great War': Your Country  
Needs You!**

**Choose projects to achieve raffle tickets. You can add with your own ideas too! *Tick off what you have completed to achieve your points.***

## Explore your mathematical skills:

- ◆ Your family want to visit London as part of The Great War centenary. How much would it cost to visit London for an overnight stay?
- ◆ Calculate the distance your family would travel if they visited London. How long would it take? Create a timetable.
- ◆ Design your own 'symmetrical' medal.

## Explore:

- ◆ Where is your local War memorial? Take photos for your scrapbook.
- ◆ Visit a local museum – take photos.
- ◆ Explore with an adult the animations on BBC schools website. What have you learnt? Create your own animation or picture story.

## Extend your research skills:

- ◆ Talk to your family and find out who was involved in WW1. What were their roles? Find photos and other special objects.
- ◆ What is your local infantry regiment? What is their regimental badge? Write a fact file of key facts.
