

6 POWER Points:(2 for each)

Develop your science !

- ◆ Can you find out about a bird that is specific to a particular country and write about where it is from and some specific facts about it?
- ◆ Make a bird feeder for your garden and take photos of the birds feeding from it. Can you name them?
- ◆ With an adult, can you investigate what happens when you boil salted water? Describe what you can see at each stage.

This term's POWER Projects

**are around our topic
'The World's Kitchen'**

**This is a geography based topic for the
whole summer**

4 POWER Points:

Cooking DT

- ◆ **Cook or bake a dish at home with your family. Write out the list of ingredients needed (remember to include measurements) and the cooking instructions to create meal.**

7 POWER Points: (1 for each day)

English

- ◆ Keep or create your own food diary for a week, from Sunday to Saturday. Write down (or make up and make it healthy!) what you eat each day for breakfast lunch and dinner. We are doing diary writing this term so can you start with writing the date for each day and address the diary...Dear Diary,

Choose projects
